

Some of the things our Construction team delivered in financial year 2018/19

46 LED lighting projects, installing **2,200** light units

Enough to light around 50 homes

10,000m² of flooring re-covered as a result of **50** flooring projects

The approximate area of 50 tennis courts

2,300 windows replaced across **66** properties

The equivalent of replacing windows on 250 homes

50 properties had fire door upgrades, totalling **1,050** new doors

The same as replacing the bedroom doors in 12 average sized Premier Inns

20,500m² of carparks upgraded

The same size as 1300 car parking spaces

16,500m² of new roofing delivered across **38** properties

The size of 2 Wembley football pitches

420 consultant and treatment rooms created or refurbished across **72** properties

Enabling 60,000 patients a week to be cared for in improved facilities

160 new boilers across **105** properties

Sufficient to heat 450 average homes

51 lifts upgraded or replaced in **17** properties across **50** floors

Climbing approximately twice the height of Big Ben
