

Request Title: Fire Compartmentation - 2021

FOI Reference: PSC-68604-S7S7

Date of Disclosure: 13/09/2021

Date Range: 2021

FOI Request:

Can I urgently please get more information on the framework agreement NHS Property Services has with Checkmate for fire compartmentation, such as a summary of the contract, how Trusts can access the contract (i.e., a buyer's guide), etc. as we are interested in using it.

Our Response:

NHS Property Services does not have a framework agreement with Checkmate. Following a tender exercise run by NHS Property Services, Checkmate was awarded a contract for Fire Compartmentation Remedial works (South West, South East, London and East of England).

This is a contract for the delivery of services purely to NHSPS, so is not set up for any other Trust or organisation to call off from it. We are aware that a recent publication referred to a "framework" erroneously.
