Our Response:

In accordance with section 1 of the Freedom of Information Act 2000 we confirm that we do not hold the information you have requested.

NHS Property Services is a government-owned company which exists to help the NHS get the most from its estate and ensure that it is consistently fit for purpose so that healthcare professionals can deliver excellent patient care. Our portfolio is one of the largest in the UK, comprising more than 3,000 properties with 7,000 tenants across England. At a total value of more than £3bn, this represents about 10% of the total NHS estate. Our properties range from listed buildings through to state-of-the-art integrated health campuses.

Please note, under our duty to advice and assist, that CCGs and Trusts are the responsible for their own infection control assets. In this instance you should direct your request to:
