

Request Title: RAAC concrete in NHSPS buildings

FOI Reference: PSC-101282-H8Q5

Date of Disclosure: 29/09/2022

Date Range: 2022

FOI Request:

Names of all hospital/medical buildings managed by NHSPS that currently has Reinforced Autoclaved Aerated Concrete (RAAC). Including GP surgery and Clinic, Health Centre, Community Hospital, and Nursing home/Care Homes

Our Response:

Having completed enquiries within NHSPS in respect of Section 1(1)(a), NHSPS does hold information relating to your request. Under Section 1(1)(b) the below has been provided in relation to your request:

We can confirm presence of RAAC in 2 health centres:

Warren Farm Health Centre, Midlands.

Haverhill, East of England.

Please note, we are a government-owned company which exists to help the NHS get the most from its estate, and ensure that it is consistently fit for purpose so that healthcare professionals can deliver excellent patient care.

Our portfolio is one of the largest in the UK, comprising more than 3,000 properties with 7,000 tenants across England. At a total value of more than £3bn, this represents about 10% of the total NHS estate. Our properties range from listed buildings through to state-of-the-art integrated health campuses.

Thank you for your interest in NHSPS, we hope the information provided is of use to you.
