

**Request Title: Call-off contract frameworks**

**FOI Reference: PSC-114586-Y8G3**

**Date of Disclosure: 26/01/2023**

**Date Range: 2023**

**FOI Request:**

*I am doing a research project investigating call-off contracts in the public sector. I have identified some potential call-off contracts awarded by NHS Property Services, but I can't find details of the framework agreements they were awarded from.*

*I have attached an Excel file that contains the information I am looking at. The last two columns ("Title of framework used" and "Contracts Finder or TED link of framework agreement") is where I am missing information - please could you fill these in.*

*Please note that I have identified these contracts as possible call-off contracts, so some of them might not be. Some could be, for instance, procured directly (without being called off from a framework agreement), or could be themselves notices of the establishment of a framework agreement. Therefore I would kindly ask you to specify in these incidences what kind of procurement was used in the "Title of framework used" column.*

*I have provided the title, description, details of the email contact from the notice, the publication date, and procedure type used to award each potential call-off, as well as a URL link to the call-off in question and a unique reference ID for each potential call-off.*
